We're counting down to National #TableTennisDay on Wednesday July 18 and are calling on clubs, schools, workplaces and anyone else to join us to promote our sport!

It's the day when the table tennis family comes together to raise the profile of the sport and to reach out to new participants, volunteers and officials. We all know our sport is great, so let's get as many people involved as possible!

We are currently finalising our plans for our own special event on the day and will soon be producing a guide for anyone else who intends to take part.

You can let us know if you want to receive more information by [clicking here to sign up](#) to be part of the day.

Keep an eye on our website for all the latest information. We'll also share the latest with our members and stakeholders in our newsletters.
