

Can you fill vital County role?

Author: Paul Stimpson

Posted On: May 14, 2018

The County Championships Committee are looking for a volunteer to take on the role of administrator of the Junior and Cadet divisions.

The position involves receiving scoresheets for the County Championship matches in those age groups, checking player eligibility and playing order and passing the scoresheets on to Table Tennis England for processing.

The volunteer would also be responsible for checking for errors and rule breaches and updating league positions.

Anyone interested is asked to email the committee chairman Stan Clarke on stanclarkel@virginmedia.com
