Friday 11 May saw Nottingham Table Tennis Association celebrate its 75th Anniversary with a special presentation evening when Table Tennis England Chairman Sandra Deaton presented the trophies and awards.

Alan Cooke and Chris Doran entertained everyone with some exhilarating table tennis, ably assisted by Dale Ajeto compering the evening.

Juniors from several of the local clubs challenged Alan and Chris during their demonstrations, culminating in a best of three between them.

Thanks to Mick Pestka, Steve Wong, Trevor Kerry and others for putting together the evening which was a great success.
