Five champions from last year will be looking to taste glory again at the PG Mutual U10-U13 National Championships at the weekend.

They include Nottingham twins Anna and Connor Green, who won their respective Under-11 singles titles last year and are top seeds in the Under-12 competition this time around.

Last year's Under-10 winners – Oliver Maric-Murray and Bethany Ellis – both return. Maric-Murray is top seed in the Under-11s and Ellis is seeded second behind Maliha Baig.

The top seed in the Under-13 Boys' event is last year's Under-12 champion Naphong Boonyaprapa, while Amy Marriott is the top seed in the Under-13 Girls' Singles.

The event, at WV Active Aldersley in Wolverhampton, also features Under-13 Boys' and Under-13 Girls' Doubles competitions.
