

## Draft Annual Review published

The draft version of the Table Tennis England Annual Review 2017/18 has been published and we are giving members and interested parties the opportunity to ask questions ahead of the Annual Conference on July 7.

The Review, which can be downloaded below, covers the financial year ended March 31, 2018 and the 2017/18 playing season.

Our rationale for publishing the draft Annual Review earlier than in previous years, as well as seeking questions, is two-fold:

- To allow our whole membership to engage and ask questions, rather than just those in attendance on the day at the annual conference
- To allow us to give a detailed, reasoned response to the wider membership rather than just a verbal response at the conference

Questions – or points of accuracy – can be submitted by filling in the online form immediately below.

Alternatively, you can download the Word document at the bottom of the page and return it via email to [marketing@tabletennisengland.co.uk](mailto:marketing@tabletennisengland.co.uk)

Questions must be submitted by 5pm on Wednesday June 27. We will publish written responses on Friday June 29 on our website and will send them to Company Members. Attendees at the Annual Conference will have the opportunity to ask additional questions on the day.

The final version of the Annual Review will be available in printed form at the Annual Conference/AGM and also uploaded to our website.
