The spectacular Ping Pong Fight Club is on its way to Manchester, and Table Tennis England members can get an exclusive 10% discount on entry for their companies.

The inter-company ping pong tournament, party and business networking event rocks up at the Gorilla venue on September 27.

The tournament will attract businesses from across the city who will play, party and compete for the ultimate ping pong bragging rights, to be crowned Ping Pong Fight Club champions of Manchester 2018.

For those ping pong gladiators that don't make it through the first rounds, there is the 'Chancers Championships' and a second crack at glory.

It's not all about the tournament though, as hundreds of supporters will enjoy a brilliant evening of entertainment featuring virtual reality ping pong, inter-company social doubles tournaments, social ping pong zones for 'friendly' play and pro player-challenges, speed ping pong networking, The Pongbot Team Challenge, DJs, pop-up bars, face-painters and street food.

Fight Club will attract 16 companies, yielding 64 players, but there can only be one winner. There is a lot to go for including the team championships where every point counts and the winners receive a brand new pro table, courtesy of Tsingtao Beer, for their offices.

There are packages to suit every size of company and budget – [click here for more information and to sign up](#) and access a 10% discount.
