

National Cadet and Junior Leagues

Author: Paul Stimpson

Posted On: September 09, 2018

There is still time for your club, league or school to enter teams into the National Cadet & Junior Leagues with closing dates in mid September.

The events are aimed at grass root cadet & junior players in clubs and schools just starting on their competitive journey. Last year 452 teams took part in the competition the highest ever!

Benefits:

- Plenty of games with 4-5 rounds of matches each day, played in great local club venues.
- Team competition (3 players) played over 4 weekends, usually within just 30-60 minutes drive.
- A first step onto the Table Tennis England ranking scheme.
- An appropriate level of competition for new keen players within your club, league or school.

To register, see competition dates and download an entry form [click here](#).
