Table Tennis England's National Club, Coach and Volunteer Conference, which brings together clubs, coaches, officials and volunteers to share knowledge and experiences, will take place on the weekend of March 30-31, 2019.

The venue has been confirmed as College Court, Leicester University. The agenda is to be confirmed but we would love your input and ideas on what topics you would like to be covered during the weekend.

The aim is to learn from each other the best ways of increasing participation and creating a great table tennis experience for all, through workshops, presentations and other interactions between delegates. The main purposes are:

- To ensure Table Tennis England is connected with its core market membership
- To share best practice from across the country and celebrate table tennis successes at every level
- To provide expert advice and guidance, enabling the table tennis community to grow and reflect upon the table tennis experience they provide
- To introduce the table tennis community to Table Tennis England staff and relevant partners
- To launch the new TT Kidz programme for 7-to-11-year-olds

To express your interest in attending and to let us know what you would like to be on the agenda, please complete the short form below. Regular updates will be posted on the Table Tennis England website providing further details about the event.
