Kings Road Table Tennis Club

Kings Road Table Tennis Club was formed in June 2018 and has made great strides in recent months, with having become affiliated to TTE's Premier Club programme and being involved in TTE's new Be TT programme delivering a new regular adult session for 2 hours on Monday evening at Kings Rd Primary School, Old Trafford Manchester. The club also has a level 2 coach who assists with the sessions and provides some coaching. Adults attend regularly, some come to play for fun and exercise, whereas others come for some coaching and to improve their game.

KRTTC has submitted a team that competes in the Trafford League made up of some of the players that attend the adult session.

The team is doing very well, currently top of Division 2 and the players have formed a great friendship within the team. All the players are supporting the team which has created a great atmosphere and team spirit within the club.

Average Weekly Adult Attendance = 10

Average Weekly MALE Attendance = 9

Average Weekly FEMALE Attendance = 1
