

## National Conference open for bookings!

**Author:** Paul Stimpson

**Posted On:** January 10, 2019

An exciting agenda is coming together for our National Conference – and now is the time to book your place!

The Conference, which incorporates the Pride of Table Tennis Awards dinner, aims to bring together the table tennis community to celebrate the sport at every level and find out about the latest initiatives and support to help the sport to thrive.

It is an opportunity for us to share expert advice and guidance, and for clubs and coaches to meet up, share examples of best practice and take part in a series of workshops, as well as to listen to some words of wisdom from our guest speakers.

This year, we will also be launching the new TT Kidz programme which will seek to grow participation of 7-11 year olds.

The Conference is on the weekend of March 30–31, 2019 at College Court Conference Centre, Knighton Road, Leicester.

Clubs, leagues and table tennis volunteers are invited to join us for a great event – you can see the latest agenda attached below, with more items to be added in the next few weeks. Already in the pipeline are workshops on income generation, club & league development, plus opportunities for coaching CPD.

Places at the Conference can be booked now and the cost is heavily subsidised for most delegates.

Tickets are available as follows:

- Full weekend multi-ticket (2+): £50 per person (for PremierClubs, Licensed Coaches) **both places must be booked and paid for in the same transaction.**
- Full weekend single ticket: £75 (for PremierClubs, Associate Clubs, Licensed Coaches, Technical officials, League/County/Regional Committee members)

- Full weekend ticket: £178 (this is the full cost to Table Tennis England of each ticket – no profit is being made on any tickets)
- Saturday Conference Ticket: £29 (excludes dinner and accommodation)
- Sunday Conference Ticket: £19

## What is included in each ticket?

| Ticket Name                | Who is this for   | Cost              | What is included  |
