

Volunteer at the PG Mutual Nationals!

Author: Paul Stimpson

Posted On: February 19, 2019

Do you want to play a key role in making the PG Mutual Nationals the event of the year? If so, we still have some volunteering opportunities which might interest you!

The event takes place at the University of Nottingham from March 1 to 3 and we are looking for an enthusiastic workforce to help us deliver a great spectacle.

As well as being at the heart of the Nationals, volunteers will be paid expenses and will be provided with meals and official volunteers' clothing.

Volunteers can choose to help out on one or more days and the following roles are available:

Spectator services: Greeting spectators as they arrive, making them feel welcome and answering any questions; Guiding spectators to their seats and monitoring seating blocks during play; Assisting with check-in, handing out accreditations and wristbands.

Pop-up Ping Pong Parlour: Assist our staff in the Pop-up Parlour (Fanzone), where spectators can play, browse stands and use catering facilities.

'Twiddlers': Providing additional scoring so that all spectators can see the score of matches.

Setting up: Help us to set up the venue from 3pm on Thursday February 28. Please note, this may be physically demanding.

De-rig: If you are volunteering on Sunday, please indicate whether you would be willing to help Table Tennis England staff to clear the arena after play has concluded.

If you would like to volunteer at the PG Mutual Nationals, please email lauren.bullimore@tabletennisengland.co.uk before 9am on Monday February 25. Please also indicate which would be your preferred role, which day(s) you are available and what shirt size you will require.

PG Mutual – official sponsor of the National Championships
