Five defending champions are among the 32 teams to have battled through the Regional Finals to reach the Butterfly School Team Championship National Finals.

Whitgift School (Under-19 Boys), Charles Read Academy (U16 Girls), St Mary's College Hull (U13 Boys), St Peter's CE Academy (U11 Boys) and Greenway Primary (U11 Girls) will have the chance to retain their title at Hinckley Leisure Centre on Saturday March 23.

St Mary's will have the chance to double up as they are represented in the U16 Boys' category. They are one of several schools to be in more than one category, including Redlands Primary School in Worksop, where Rio Olympian Sam Walker started his table tennis career.

The full list of qualifiers can be seen below.
