Our National Conference is shaping up to be THE place to be – and if you book your place now, you could win a £100 Tees Sport voucher!

The two-day get-together features a packed programme, including the highly anticipated launch of our TT Kidz initiative – you can see a sneak preview below.

The Conference on the weekend of March 30–31 at College Court Conference Centre, Knighton Road, Leicester, also features the Pride of Table Tennis Awards dinner, where we honour our amazing volunteers.

In addition, a series of workshops and guest speakers from organisations including Sport England Club Matters and the English Institute of Sport will cover all the essential subjects, expert advice and guidance for delegates to take back to help their clubs and leagues to develop. The full schedule can be downloaded below.
