The closing date for the popular Jersey Grand Prix at Easter is fast approaching and players are being advised to book now to avoid missing out.

The satellite event on the Grand Prix circuit is a favourite of players and, unlike other Grand Prix events, features three rather than two days of competition.

Good Friday features team events, with men's, women's, junior and veterans' categories. The Grand Prix events then take place in the usual format of Bands on the Saturday and open singles, under-21s and veterans on the Sunday.

The event runs at the Geoff Reed Table Tennis Centre from Friday April 19 to Sunday April 21 and the closing date for entries is Friday April 5.
