

Junior British League Organiser wanted!

Author: Paul Stimpson

Posted On: April 30, 2019

Would you like to play a key role at one of the biggest competitions on the Table Tennis England calendar?

We are looking for one or two people to step up as organisers of the Junior British League for 2019/20. The voluntary role covers all the logistics around the playing events, working alongside the allocated Referee.

The JBL runs over two weekends per year, and currently comprises 76 teams in 12 Divisions (boys and girls). Next season it is once again scheduled to take place at the Derby Arena, where the centre of the cycling track is taken over by 38 tables.

The new organiser(s) will take over from Richard and Brenda Hudson, who were organisers for a number of years and have retired from the role after this season. Table Tennis England would like to record its gratitude and appreciation for their commitment over the years.

To find out more about the role, including a full role description, [click here](#).
