

Webb and Scruton on Swaythling Club committee

Author: Paul Stimpson

Posted On: May 08, 2019

Harvey Webb has taken on the role of Deputy President and Richard Scruton that of Treasurer of the Swaythling Club International.

The Table Tennis England Honorary Life Member (HLM) was elected at the SCI's Annual General Meeting during the recent World Championships in Budapest.

He replaces Ebby Scholer, who returns to the role of President, having previously stood down in favour of Öivind Eriksen.

Scruton, also a Table Tennis England HLM, takes on the role of Treasurer following the resignation of Werner Schnyder as the Executive Committee sees several changes.

The Swaythling Club was founded in 1967 by a group of former international players and team captains and helps to promote international friendship and sportsmanship.
