An eight-strong England team goes for glory at the Cadet 6 Nations tournament in Denmark, which starts on Friday.

National champion Mari Baldwin heads the girls' contingent, alongside Millie Rogove, Erin Green and Amy Marriott.

The boys' line-up is Louis Price, Naphong Boonyaprapa, Ben Piggott and Rhys Davies.

Price is the only player in the squad to have featured in last year's corresponding event in Germany, where the girls' team won silver and the boys' team bronze, as well as Amirul Hussain, Ruby Chan and Josh Weatherby winning gold, silver and bronze medals respectively in the individual competitions.

The team event will be on Friday and Saturday, with the singles on Sunday.
