With Table Tennis Day just six weeks away, we have just the thing to help you plan your celebration.

Today we release the #TableTennisDay 2019 toolkit, packed with ideas for events in clubs, schools and workplaces.

The central aims of our annual celebration are to raise the profile of the sport and encourage more people to get involved and stay active.

We've already heard from dozens of projects which are planning to hold an event on Thursday, July 18th – but it's not too late to let us know of your plans.

The first 100 events to register will be sent a free goody bag to help their day go with a swing – and there are still a few left for us to give away! So, [click here to register](#) and tell us about your plans.

On the day, we will be giving away spot prizes on social media, so don't forget to share pictures and videos using the hashtag #TableTennisDay for your chance to win.

Table Tennis England's main event will this year be held in Bristol and we will be revealing more details about that in the weeks ahead.
