Loughborough defended their Bromfield Trophy title and Plymouth won a medal in all four sections at the English Leagues Cup Competitions finals.

Plymouth's success in winning one gold, one silver and two bronzes is believed to be a unique achievement, with bronze medals a relatively recent addition since the advent of positional play-offs.

The players representing their leagues qualified for the finals at Westfield TTC in Wellingborough having won through zonal qualifying stages. Group matches were played before the final knockout matches to decide champions and positions.
