Club Affiliation for the 2019–20 season has now opened, with a range of benefits for PremierClubs and Associate Clubs.

Clubs can renew their affiliation at the new TT Memberships platform, and we have produced an easy step-by-step guide which you can download below.

PremierClub Affiliation costs £65 for a season and gives your club access to a host of benefits aimed at helping clubs develop and improve.

This year, clubs can save up to £90 on coaching and officiating courses through redeeming:

£30 discount on 1 UKCC Level 1 Coaching Course

£30 discount on 1 UKCC Level 2 Coaching Course

FREE place on a Level 1 umpire course (usually £30)

In addition, PremierClubs get access to the ClubSpark club management tool and – new for this season – are eligible to become a TT Kidz centre.

We are also planning a series of free webinars to help share initiatives and advice with PremierClubs, while they also qualify for preferential status when applying for Table Tennis England grant schemes.

Meanwhile, Associate Club affiliation is an excellent option for clubs which are not yet ready for a PremierClub Membership, but still wish to be part of our family.

The status is free and the benefits are:

- Appear on the Table Tennis England table finder

- Downloadable welcome pack
- Regular Table Tennis England Clubs newsletter communications
- Access to some Table Tennis England partner discounts
- Public Liability Insurance with an indemnity limit of £10,000,000

PremierClubs also receive all the benefits of Associate Club memberships.
