

# Table Tennis England Integrity Webinar

## Free webinar: The perils of betting on table tennis

**Author:** Paul Stimpson

**Posted On:** September 04, 2019

All senior members of Table Tennis England are invited to a free webinar on the perils of betting on the sport.

The half-hour webinar will cover definitions of match-fixing and the misuse of inside information, the risks and consequences associated with violations of Table Tennis England's gambling policy, and the steps you can take to help protect the integrity of table tennis.

The specific topics it will cover are:

- Sports Betting
- Fixing
- Inside Information
- The Criminal Element
- Bet Monitoring
- Protecting Your Sport
- Consequences

This webinar, provided by Sportradar, takes place at 7pm on Monday September 23.

The privacy policy relating to the webinar can be downloaded below.

It is being organised as part of a proactive programme to protect the integrity of our members and the sport. There is no suggestion or indication that any matches under Table Tennis England's umbrella are currently

being manipulated, however, it is important for us to remain vigilant to ensure the sport remains clean.

**About Sportradar:** Sportradar is a global leader in providing sports betting technology and data services to bookmakers and regulators as well as sporting integrity services to sports leagues, law enforcement agencies and state authorities around the world. The company works with over 1000 clients and partners from over 80 countries and employs over 1,000 people in more than 25 locations around the world. In the field of sporting integrity Sportradar assists over 80 leagues, federations and state authorities in countering corruption through bet monitoring, intelligence, investigation and education services.
