

Veterans' British League Coordinator wanted!

Author: Paul Stimpson

Posted On: October 07, 2019

Would you like to play a key role at one of the biggest competitions on the Table Tennis England calendar?

We are looking for one or two people to step up as coordinators of the Veterans' British League for 2019/20. The voluntary role covers all the logistics around the playing events, working alongside the allocated Referee.

The VBL runs over two weekends per year, and currently comprises 58 men's teams in four Divisions, and 22 women's teams in three divisions.

The '19/20 season event dates are 28-29 September 2019 and 22-23 February 2020, and it is expected the postholder will be appointed in time to work towards the 2nd event. Both events are scheduled to take place at the Derby Arena.

To find out more about the role, including a full role description, [click here](#).
