Booking is now open for the North-East club and volunteer conference on Sunday 24th November 2019.

Table Tennis England is delighted to announce that regional and club conference is coming to Durham County Cricket Ground.

Due to the success of the National Conference in March 2019, with over 100 delegates in attendance at the event in Leicester representing 50 clubs and leagues, we are now heading back out to the regions for our club and volunteer conferences.

Conferences will include the latest programme updates from Table Tennis England, including ClubSpark and TT Kidz. There will also be time for networking, and sharing best practice and ideas with other clubs and leagues as well as with members of the Table Tennis England Team.

The event is free to attend but advance booking is required, and limited to 2 spaces per organisation.

An agenda will be uploaded closer to the date of the event.
