The qualifying requirements for the 2019/20 Cadet & Junior National Championships and National Cups have changed.

Due to the slightly reduced number of 4* tournaments taking place this season, the previous requirement to have attended two 4* events in the 19/20 season in order to be eligible for the Nationals, and the Cadet and Junior National Cups, will be reduced to having attended **one** 4* event, competing in the age group in which the invitation is sought.

For details of 4* events and other Table Tennis competitions, please [click here](#). The Cadet & Junior National Championships are at the University of Nottingham on May 9-10, 2020. The prospectus for the event, and those for the Cadet and Junior National Cups, will be available shortly.
