

Sara Sutcliffe appears on national podcast

Author: Paul Stimpson

Posted On: October 16, 2019

Table Tennis England Chief Executive Sara Sutcliffe is the subject of the latest podcast in the *Great British Bosses* series.

She talks about her background in sport, including helping to bring the 2012 Olympics to London, getting more women involved in sport and, of course, plenty about table tennis.

Click below to listen to the podcast.

Great British Bosses profiles the men and women who play key roles in sport in this country, including at National Governing Bodies. It is produced by the Anything But Football team, who focus on Olympic and Paralympic sports.
