The second in the series of Club and Volunteer Conferences is fast approaching, with the next event taking place on Sunday November 24 at Durham County Cricket Club.

The event is an opportunity for Clubs, Leagues and table tennis volunteers to come together for a day of networking, workshops and sharing best practice.

Table Tennis England Chairman Sandra Deaton will be attending the Durham event, and delegates can also expect to hear the latest on initiatives such as TT Kidz and the Table Tennis England Women & Girls Action Plan.

Table Tennis England is also pleased to announce that the South East Conference on Sunday January 19 will be held at the Angel Centre in the heart of Tonbridge.

The Club and Volunteer Conferences are free to attend, and spaces can be booked by clicking below.
