Be TT is a Table Tennis England support programme for affiliated clubs and leagues, designed to build better experiences across our sport.

Led by extensive research and data from playing habits across the country, the programme allows Table Tennis England staff to work closely with clubs and leagues to improve the experience of those who play, coach, volunteer, or officiate in our sport.

2019-20 is the third year of Be TT. This year, 51 projects have been supported across the country with a focus on female participation, under-11 participation and shorter format leagues.
