Our flagship event, the Senior Nationals will feature the elite players in England competing in men's and women's singles and doubles and mixed doubles, plus para and under-21 singles events. The top players in the rankings will be joined by 10 men and 10 women who come through the Qualifying Tournament in January.

Spectators on the Friday and Saturday will be able to see all tables from their seats, with no dividing curtain being in use in the playing arena. This follows feedback from spectators at last season's event.
