Do you know a club or venue which would love to host England's elite men's team as they take on Spain in the European Championships Stage 1?

The match will be played on Tuesday October 13, 2020 and Table Tennis England is looking for a partner venue to host the fixture, which could feature leading players including Liam Pitchford, Paul Drinkhall and Sam Walker.

It would need to be available for set-up and training on the Monday, have space for at least 500 spectators and consistent lighting of at least 1,000 lux.

A full list of all the required facilities can be found by downloading the document attached at the foot of this page.
