Urban travel to BATTs this Sunday looking for a fourth win of the season to cement their place at the top of the Premier Division. With a squad featuring Daniel Kosiba, Daniel Schaffer, Alim Hirji & Matej Mamut the final team selected is sure to be extremely competitive.

Ormesby welcome Archway Peterborough to Middlesbrough on Saturday for what will be a vital tie for both clubs. After a slow start to the season Ormesby need a win to boost their chances of retaining the title.

The North-East side will field a full strength team featuring the club's Chinese star Sining Zhang, England's number eight Helshan Weerasinghe and England's number nine Darius Knight.

Archway Peterborough, meanwhile, have played just two games this season so have an opportunity to quickly move up the table with a victory.

Their trio will include Chinese National squad player, Jaiwang Song, the current England Number five Chris Doran and Adam Jepson.
