

Young Officials Award

Author: Martin Ireland

Posted On: January 08, 2011

The Table Tennis England Young Officials Award has been produced in partnership with the Youth Sport Trust. Its main aim is to encourage more young people into umpiring and officiating in Table Tennis.

The four-hour course covers:

- how to organise and deliver a wide variety of competition formats, which can be used in schools and clubs such as Butterfly Skills Circuit, top table, ladder and group/knockout competitions.
- an introduction to basic umpiring skills.

For information on how to organise a course contact your Regional Development Manager. Further details and a list of contacts are given in the [downloadable leaflet](#).

For further information on becoming a Table Tennis England Qualified Umpire [click here](#).
