Twin brothers are included in a strong squad selected to represent England in the annual Primary Schools Home International, hosted this year in Douglas, Isle of Man.

The competition, from April 3-5, includes teams from England, Scotland, Wales, Ireland, Jersey, Guernsey and Isle of Man.

The boys' line-up includes twins Hugo and Leo Nguyen from Devon, alongside Abraham Earl Sellado and Max Radiven.

The girls' quartet is led by No 1 ranked Under-12 girl Sienna Jetha, who also competed last year. She is selected alongside Ella Pashley, Naomi Coker and Brooke Morris.

England won the boys' team event last year, while the girls' team won silver, narrowly losing out to hosts Ireland.
