Posted On: [February 25, 2020](#)

The draws for the Mark Bates Ltd National Championships have been published, with the tournament getting under way with the under-21 events on Friday morning at the University of Nottingham.

Click on the links below to view the draws for the under-21, para and doubles events, plus the group stages of the men's and women's singles.

The knockout stages for the men's and women's singles will be drawn at 10am on Thursday morning and will be streamed live on our Twitter page.

Unfortunately, defending champion Maria Tsaptsinos has pulled out of the Women's Singles through injury, as has seventh seed Lois Peake. Therefore, the winners of groups 1 and 2 will be treated as seeds 7 and 8 for the purposes of the knockout draw and two lucky losers from the group stage will go through to complete the last 16.
