Can you spare five minutes to fill in our membership survey and help us shape our future strategy?

Although this season has been unexpectedly disrupted, we still want to understand how the season has been for you.

We're continuing to work during this time, with a key focus on developing our plans to support all of those involved in our sport over the coming months.

By sharing your views, you will help influence that plan and ensure that once regular table tennis activity can resume, the next season is even better for you.

Anyone who enters will be eligible to be entered into a prize draw to win one of two £50 Amazon vouchers.

The survey focuses on five areas, including the membership experience and actively asks what members think that we could do to improve.

It also covers club and league satisfaction, as well as seeking views on the TT Leagues league management platform.

We're also asking for views on the official Table Tennis England website and its usability.

The results we gain from this survey will help us to create initiatives to improve the member experience.

To take part in the membership survey, [click here](https://r1.surveysandforms.com/4b38nl5b-784kxk18).

The survey will close on 30th April 2020 at 11.59am.
