The second in a series of club webinars took place on Friday with an update and Q&A session with Table Tennis England Chief Executive Sara Sutcliffe.

A total of 23 people from clubs and leagues across the country joined the session, in which various questions were asked from how to engage with members, to financial support currently available.

Sara also announced that Table Tennis England have reviewed Year 4 BeTT funding, and 2020-21 Satellite Club funding to help clubs get back up and running following the coronavirus lockdown. Further details of this will be released over the coming days, including information on how to apply, and a webinar to support potential applicants.

Also discussed were options for [engaging as a virtual club](#), [TT Kidz at Home](#) and [Back to Table Tennis](#).

If you missed the session, you can listen to it in full below. Apologies but due to technical reasons, only audio is available.
