The third webinar of our series, delivered by the Table Tennis England Performance Team, focused on how to continue to engage with talented athletes during lockdown.

Several practical tips were shared on how clubs and coaches can continue to work with players and keep them motivated and progressing.

A total of 25 clubs and coaches joined the session – if you missed it, you can view the recording in full below.

The next in the series will take place next Wednesday, April 29, at noon and will provide an overview of Be TT and Satellite Club funding. [Click here to book your place.](#)
