Posted On: April 30, 2020

Commonwealth Games medallist Maria Tsaptsinos is joining the TT Kidz Afterschool Club!

Maria, the national Women's Singles champion in 2019 and part of the England team which won bronze at the 2018 Commonwealths in Australia, will help to lead the third TT Kidz live session, next week.

The session for **youngsters aged 7 to 11**, will be hosted on the Zoom platform and takes place from **4pm-4.30pm on Tuesday, May 5**.

Participants will be able to work on some of the key skills they have already learned on their TT Kidz journey and all they will need to join in will be their TT Kidz bat and a ball.

The session will be open to non TT Kidz participants as well. To sign up, all you need to do is fill in the short form below. The session is limited to the first 100 responses, so don't delay!

We will send a link to the first 100 people who book, so they can join the session with just one click of the mouse at 4pm next Tuesday.

Table Tennis England Programme Lead Colette Gooding said: "The first two sessions have been really energetic and it's been great to see families joining in with the TT Kidz too.

"It's fantastic to get Maria involved – all the England players have to start somewhere and, you never know, perhaps one of the TT Kidz will play for England one day!"
