Our next club webinar on Wednesday May 13 will be on the subject of Opportunities for Club Support, and spaces can still be booked.

As well as providing a summary of Table Tennis England support, we will also be joined by a representative from Club Matters. Club Matters is Sport England's one stop shop for clubs, groups and organisations involved in the delivery of physical activity and sport. Club Matters provides free, convenient, practical resources to help organisations to develop, grow and become more sustainable and successful.
