The Table Tennis England Annual Review has been published online and we are inviting questions from members ahead of the online Annual Conference and AGM on July 18.

The Review can be downloaded below and covers the financial year ended March 31, 2020, alongside the 2019/20 playing season, which was curtailed because of the coronavirus pandemic.

Questions and points of accuracy can be submitted to us by filling in the online form below, or by downloading the Word document at the bottom of the page and returning to help@tabletennisengland.co.uk. **Please note, questions are now closed.**

We will publish responses on Wednesday July 15 on our website.

Due to the coronavirus crisis, the Annual Review will not be printed this year. However, digital copies will be emailed after the AGM to:

- County Representative Company members (National Council)
- League representative Company members
- PremierClubs
- Vice-Presidents
- Honorary Life Members

It will also be uploaded to our website.

This is the third year that Table Tennis England has given the opportunity for questions in advance of the Annual Conference. This allows our whole membership to engage and ask questions, as well as allowing us to give a detailed, reasoned response to the wider membership rather than just a verbal response at the conference.
