It is that time again and our online membership renewals have now opened.

Telephone renewals do not open until **Monday 3rd August**, so the best way to secure your membership for now is by [clicking here](#) and following the prompts.

We understand that we are asking you to renew during a time of uncertainty about when you can return to play, however we ask you to please show your support for a sport we all love by renewing your membership with Table Tennis England.

Your affiliation fees [help fund an incredible amount of important work at grass roots level](#), as well as helping us unlock other funds so we can spend more on grass roots. In fact, for every £1 of membership fee income we receive, we invest £2 supporting grass roots table tennis, which amounts to almost £1 million annually.

That's why we say that when you buy a membership with us you become more than a player – you become part of a bigger picture, part of the fabric of table tennis in England.

We released a letter from our Chairman, Sandra Deaton on July 7 addressing why your membership is vital now and for the future. [Please click here to read the article.](#)

As previously communicated to our members, Table Tennis England has refreshed our membership categories this year. [Please click here to read more.](#)
