

Kim Daybell on Sky News podcast

Author: Paul Stimpson

Posted On: August 11, 2020

Paralympic athlete and NHS doctor Kim Daybell talks candidly about his experiences working on the frontline during the coronavirus crisis in the latest edition of the Sky News Covid Stories podcast.

Daybell opens up to presenter Dermot Murnaghan about his work on Covid wards at the Whittington Hospital in London and putting his Tokyo Paralympic ambitions on hold for a year.

[Click here to listen to the podcast](#) – Kim's interview begins around 2min 15sec into the podcast.
