This week we go back 28 years to 1992 with a selection of photographs taken by Arthur Clark in that year.

As well as some top players there are several prominent officials, including Barry Granger, Doris Moors, Alan Shepherd and Phil Gower, who all gave many years of service.

Once again we would like to thank Arthur for sharing his magnificent collection of images which give an excellent 'snapshot' of table tennis in Essex and surrounding areas as well as of National competitions over many years.

I can be contacted on [DianeK1414@hotmail.co.uk](mailto:DianeK1414@hotmail.co.uk) for any information on previous photos or if you have any that you would like to share.
