

Nottingham table tennis round-up

Author: Paul Stimpson

Posted On: October 12, 2020

Congratulations to Trevor Kerry in being elected the new President of the Nottingham and District Table Tennis Association. Trevor has played table tennis in Nottingham since he was a young lad and Nottingham is in his DNA!

Also congratulations to Dave Inkley on being appointed a Life Vice-President of the NDTTA. Dave has played and coached TT in Nottingham for many years and although currently suffering poor health, he keeps a keen eye on us.

The main Nottingham Table Tennis League is ready to start the week commencing Monday 2 November 2020; all divisions planned and only the fixtures button on TT Leagues to be pressed. TTE Covid-19 recommendations are in place.

Thanks to all the committee members and the clubs/venues for their help in getting the league ready for action.

However, because of the high Covid-19 positive results in and around Nottingham and pending the announcement from the Government on Monday about a possible local lockdown, it may well be that the league will have to be postponed – watch this space.
