The first TT Kidz Live session for schools inspired and enthused around 50 pupils – and there are more sessions on the way!

Every Tuesday Table Tennis England is streaming a **live 30-minute TT Kidz session**, designed so that they can take place in a classroom or sports hall (you don't need much space or a table!)

The first session was led by Table Tennis England Youth Participation Officer Lauren Evans and Schools Officer Keegan Barstow.

Lauren said: "It was a great session and all the children were really engaged and had a lot of fun. We are really excited to try and get more schools involved over the next three weeks and see all their progress."

There are further sessions on Tuesdays December 1, December 8 and December 15. To sign your school up to get involved, please fill in the form at the bottom of the page.

All sessions will be streamed through Zoom and we will also record all sessions so schools who aren't able to join us live can still take part at their convenience. You can watch the first session Below:
