Table Tennis England have recently launched an online TT Activator Award. This has been designed to provide individuals with the tools to run fun and engaging activities in various playing environments.

The TT Activator workshop will provide learners with the opportunity to learn the rules of tables tennis, the basic technique and some fun and engaging game ideas. It will also provide some tips to ensure inclusivity, allowing everyone to participate regardless of their age, gender, health or ability.

The course takes approximately 1 hour to complete and costs £30 per person. As an additional benefit to our PremierClubs we're delighted to be able to offer PremierClubs the opportunity to register up to 2 people for free.
