The remainder of the Senior British League season, including the Premier Division, has been cancelled.

With the coronavirus restrictions making staging of central weekends or Premier Division matches impossible in the short and medium term, the SBL Committee has made the decision now to provide clarity and certainty to the clubs and players.

Clubs will be contacted directly by Table Tennis England and will be offered either refunds on fees already paid or to roll over the fees into the 2021/22 season.

The SBL Committee will continue to consider whether an alternative competition opportunity might be possible later in the season, if significant improvement in the restrictions allows.
