

Under-12 National Cup cancelled

Author: Paul Stimpson

Posted On: February 24, 2021

The Under-12 National Cup has become the latest competition to be called off in line with our coronavirus cancellation policy.

The event, which sees the top 10 boys and girls in the age group play each other in a round-robin format, was scheduled to be held on the weekend of April 17-18.

Under the Government 'roadmap' out of restrictions, the earliest that indoor table tennis could resume is April 12. This would leave less than a week's training for the National Cup and this, coupled with uncertainty over venue availability, has caused the cancellation.
