England will send a full team to the European Youth Championships, scheduled to be held in Croatia in July.

Because of the pandemic, the tournament has been split into two parts, with Junior events from July 18-24 and the Cadets from July 26 to August 1. Under the event regulations, athletes can only compete in one age group.

The Junior category reflects the new age limit of Under-19, implemented by the ITTF and ETTU and [confirmed this week](#) by Table Tennis England.

The normal Table Tennis England selection policy process has been amended to reflect the challenges of the last 12 months, with a lack of domestic and international competitions.

The selection policy can be found [here](#) and teams and individuals will be selected in Junior and Cadet categories, boys and girls, in line with the policy.
