How would you like to help us show our appreciation to the unsung heroes of our sport by supporting the Pride of Table Tennis Awards?

We are offering some exciting opportunities for organisations to become partners of our flagship volunteering event.

Partnering with us showcases your support for our sport and the volunteers who do so much to underpin it – and helps us to make the event truly special for everyone, especially for the shortlisted candidates. It is also a wonderful showcase for your brand.

Volunteers are the heartbeat of our sport and thanks to them, countless thousands get the chance to enjoy and achieve in table tennis.

In this difficult year, we think it is more important than ever to show our volunteers – many of whom have continued to work tirelessly to keep people involved, informed and engaged during the pandemic – just how much we value them.

All support received will go towards the ceremony on Saturday June 5. Even though this will be a virtual ceremony, we want to make it the best it can be in terms of technological support, prizes and more.

We are also hoping to be able to stage a physical event at a later date, restrictions permitting.

If you want to put your backing to the Pride of Table Tennis Awards, we have three levels of support:

- Principal partner (£1,000)
- Official Sponsor (£500)
- Official Support (£250)

Each has a list of benefits to organisations which get involved. To find out more about each category, and more about the Pride of Table Tennis Awards, please download the document below or contact marketing@tabletennisengland.co.uk
