

Get set for a season of centenary celebrations!

Author: Paul Stimpson

Posted On: May 07, 2021

The centenary celebrations for ETTA/Table Tennis England are just six months away!

The Association was formed on 7th November 1921, and we will be turning 2021/22 into a season-long celebration.

A gala dinner, commemorative book and participation campaign are among the ideas we are working on, and we are currently [recruiting a Project Manager](#) to supervise fundraising and planning and deliver a raft of centenary events.

Table Tennis England Chief Executive Sara Sutcliffe said: "The centenary gives us an opportunity to not only celebrate our past and honour those who played a key role in it, but to reinvigorate the sport and build a better future in a post-covid landscape.

"We're very much looking forward to celebrating this milestone and hope the whole table tennis community will join us in a memorable year of celebrations."
